TRAVEL BLOG

Monday 5th

Here we are in Japan. We've been here for five days now. Tokyo has been amazing: I've never seen such a big city, or so many people! Have you seen those pictures of men with white gloves pushing people into the trains? 1..... A lot of people have cars, of course, but it's faster and easier to get around by train. But they are usually very busy! And the food! 2..... So we eat a lot of noodles, or set menus. How do we communicate? We point at the pictures and smile like tourists! 3..... They're always going somewhere or doing something. The only places that are a little quieter are the parks, temples and museums. 4.....

Tomorrow we're going to Kyoto on a very fast train - a bullet train. Did you know they can travel about 320 km an hour? We'll see Mount Fuji on the way, and the big cities on the coast.

Tuesday 6th

Hey, we've just arrived at the *ryokan* in Kyoto. That's a kind of small family hotel. It's completely different from Tokyo. 5..... I've already asked her to show me how to use the chopsticks for eating too! We haven't seen much of the city yet, but we're really excited to be here.

A People in the street look really busy.

3

B But that's fine too, because that's exactly what we have visited.

4

C You have to leave your shoes at the entrance, and the lady explains how to use the bathroom. 5

D We both love sushi, but it's just so expensive.

2

E Well, I can tell you they are real.
